### 33rd Annual Bishop's Dinner for Catholic Charities

Bishop David Zubik will host the 33<sup>rd</sup> Annual Bishop's Dinner for Catholic Charities on Friday, May 15 at the Westin Convention Center Hotel. With the theme "living His example," the bishop will be joined by Cardinal Timothy Dolan, Archbishop of the Diocese of New York City who will receive the Cardinal Donald W. Wuerl "Flame of Hope Award" for his example as a tireless and visible advocate for the faith, religious freedom and the right to life.

As Catholic Charities' signature fundraising event that is attended by more than 800 guests, the Annual Bishop's Dinner has consistently raised more than \$700,000 annually to benefit the agency's programs and services throughout the diocese.

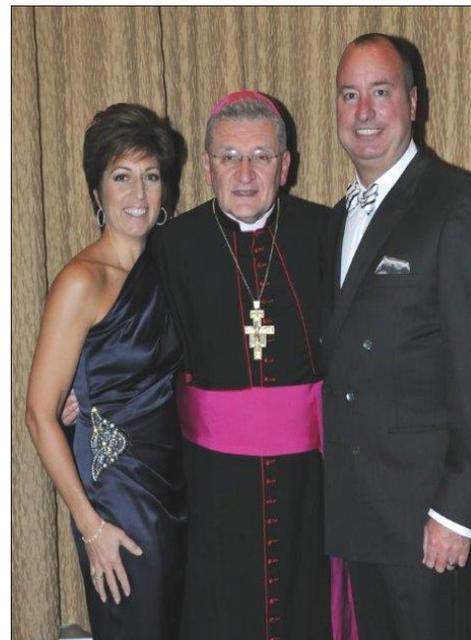

"Prior dinners have been very successful financially, so we have to focus to meet and hopefully exceed the previous financial support raised," said Marie Milie Jones, who with her husband Cameron are honored and humbled to serve as host chairs for the event. She added,

"Having Cardinal Dolan as a special award recipient certainly raises the bar for the event and should provide a heightened level of energy to support the dinner."

Jones said that the couple is hoping for "yes" responses to their fundraising requests because they have seen the "phenomenal" work done by Catholic Charities. "So many people are impacted in a positive way by the work done by Catholic Charities from medical and dental services, to workforce training, to providing assistance for other basic needs. The service of those who work and volunteer is truly an example of the 'Church Alive' as outlined by our Bishop."

At the dinner, Bishop Zubik will also present Caritas Awards to honor MSA Safety with the Legacy of Giving Award, and three Butler parishes—Saint Michael the Archangel, Saint Paul, and Saint Peter—with the Living the Spirit Award.

Throughout the evening, guests will enjoy an hors d'oeuvres and cocktail reception, sumptuous dinner with wine service, music, and video presentations. KDKA Radio Morning Show's Larry Richert returns as emcee.
